Accessory Name	Function	Appearance
2mm double-ended banana plug cable	as part of the electrode lead assembly	Button type electrode adapter cable	as part of the electrode lead assembly	

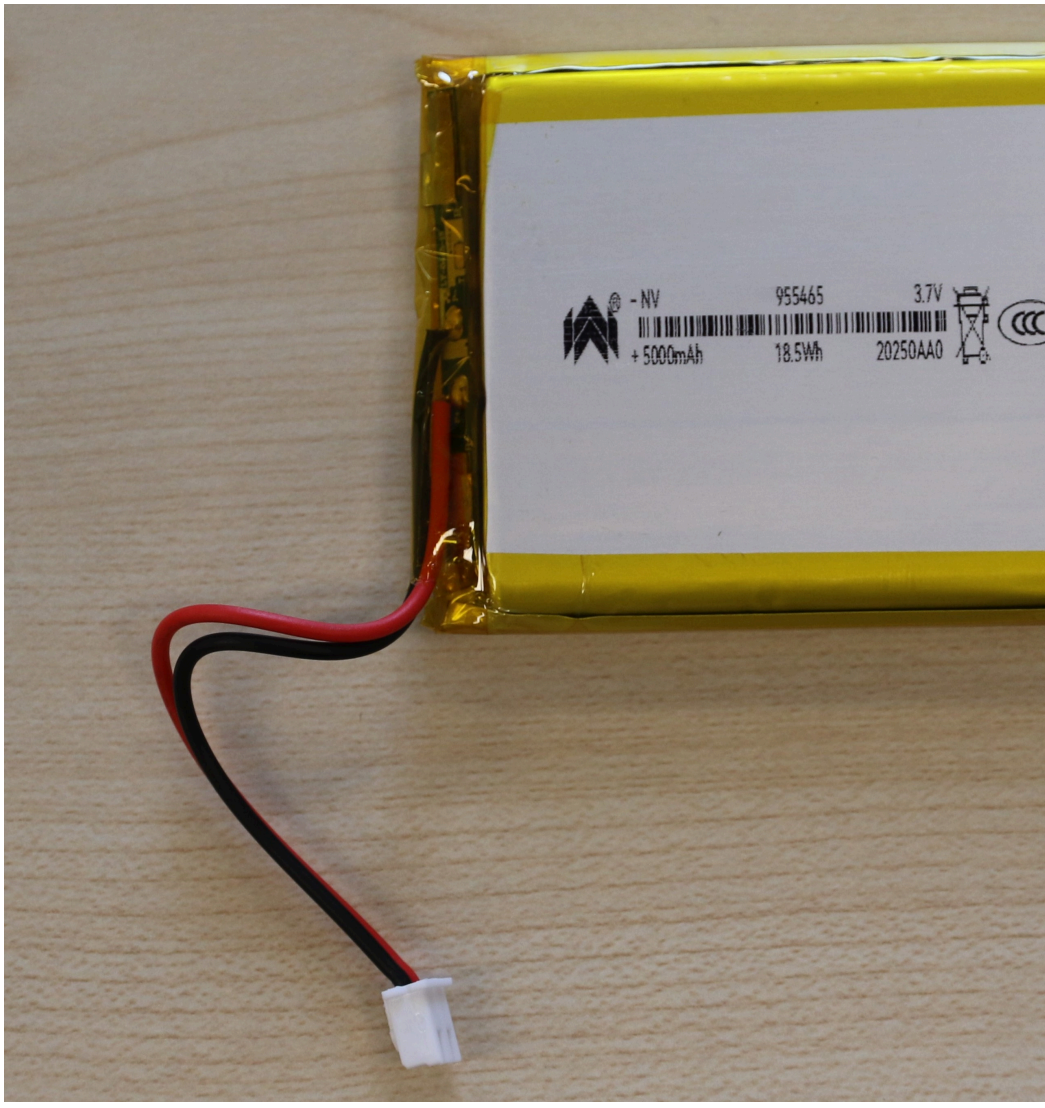
Accessory Name	Function	Appearance
3.9mm electrode snap and silver chloride electrode	measuring electrode	
manual riveting pliers	making measuring electrodes	
Accessory Name	Function	Appearance
velcro elastic strap	wearable electrode securing device	


Accessory Name	Function	Appearance
5000mAh lithium-ion polymer battery	as the power source for the device
